

Preliminary Consultation

Welcome to Berezowski Business Immigration Law. We provide professionals and their families, cross-border couples and small and mid-sized businesses with a range of Canadian and cross-border immigration legal services. Our goal is to provide you with the immigration foundation that you need to navigate border laws. We are located in downtown Toronto, Canada.

We offer a preliminary consultation to prospective clients as a means of introducing our legal services and our personalized working style. The consultation, with a lawyer licensed in Canada and the US, is an excellent opportunity to learn about your immigration options. The purpose of the consultation, which takes an hour and does not establish a lawyer-client relationship, is to provide you with a preliminary understanding of your immigration issues, options and prospects.

The preliminary consultation can take place in person or over the telephone. We charge C\$275.00 (Visa, Interac, cash and cheque are accepted) for the preliminary consultation. In some cases the Goods and Services Tax ("HST or GST") is also applicable.
